

*Want to drive your team's performance to a higher level by learning from the best while enjoying the greatest football-soccer experience of your life?*

*Top Training Brasil® will make your dream come true!*

*Renowned Brazilian Football Confederation "CBF"® has opened the doors of "Granja Comary", its official training compound. Once only available to Brazilian elite soccer players, Granja Comary is now available to Top Training Brasil participants. Male and female soccer teams from around the world have the opportunity to learn, practice and "breathe" soccer at the home of Brazil's National Team, the most victorious team in the history of the sport.*

*Top Training Brasil has been specially designed for soccer teams seeking to improve its individual and collective skills. This is a unique and exciting experience that combines the very best soccer camp with a first class travel program.*
